Don't forget that

our IKB attributes are

- We are positive
- We are engaged
- We are responsible
- We are respectful
- We are resilient
- We rise to challenges

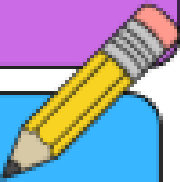

At IKB, we believe that

- Every Child Achieves
- Every Child Belongs
- Every Child Participates in learning, enrichment and the community

Literacy:

This half term our key texts are the Three Little Pigs and Beegu by Alexis Deacon. We will be inventing our own stories linked to our science topic materials, and writing a report to help Beegu choose which planet to live on.

Forest School- Paused

Forest school is paused over the winter months due to the wet and unsafe weather, however we will be continuing outdoor learning each week through our DT.

DT

This half term we will be using our Stem process to answer this problem:

Can you build a house for the Three Little Pigs that can withstand the huff and puff of the Wolf?

Reading:

We will be securing all Phase 5 alternative graphemes which we will begin to apply in our writing. We will be learning and applying the skills of reading by discussing and answering questions on texts in our reading lessons.

Home Learning:

Please continue with reading, Key Word and High Frequency word challenges as well as your Numbernauts maths challenges.

Please ensure you are reading with your child at least 5 times a week and writing in their reading diary.

Maths:

This half term in maths we will be extending our place value knowledge by looking at numbers to 20 and adding and subtracting within 20.
